**Item 7.01. Regulation FD Disclosure.**

As previously disclosed, on May 27, 2020 (the “Petition Date”), the Company and certain of its direct and indirect subsidiaries (collectively with the Company, the “Debtors”) filed voluntary petitions (the “Chapter 11 Cases”) under Chapter 11 of the United States Bankruptcy Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the Northern District of Texas, Dallas Division (the “Bankruptcy Court”). The Chapter 11 Cases are being administered jointly under the caption “In re: Tuesday Morning Corporation, et. al., Case No. 20-31476-HDH-11.” The Debtors will continue to operate their businesses as “debtors-in-possession” under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court.

On July 20, 2020, the Debtors filed with the Bankruptcy Court their monthly operating report for the period beginning May 27, 2020 and ending June 30, 2020 (the “Monthly Operating Report”). The Monthly Operating Report is attached hereto as Exhibit 99.1 and is incorporated herein by reference. This Current Report on Form 8-K (including the exhibit hereto) (this “Form 8-K”) will not be deemed an admission as to the materiality of any information disclosed herein.

The Monthly Operating Report and other documents filed with the Bankruptcy Court are available for inspection at <https://dm.epiq11.com/case/tuesdaymorning/info>. Documents and other information available on such website are not part of this Form 8-K and are not deemed to be incorporated by reference in this Form 8-K.

The information furnished in this Item 7.01 of this Current Report on Form 8-K and the Monthly Operating Report attached hereto as Exhibit 99.1 shall not be deemed “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of such section, and shall not be deemed to be incorporated by reference into the filings of the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

***Cautionary Statement Regarding the Monthly Operating Report***

The Company cautions investors and potential investors not to place undue reliance upon the information contained in the Monthly Operating Report, which was not prepared for the purpose of providing the basis for an investment decision relating to any of the securities of the Company. The Monthly Operating Report is limited in scope, covers a limited time period and has been prepared solely for the purpose of complying with the monthly reporting requirements of the Bankruptcy Court. The Monthly Operating Report was not audited or reviewed by independent accountants, was not prepared in accordance with generally accepted accounting principles, is in a format prescribed by applicable bankruptcy laws or rules, and is subject to future adjustment and reconciliation. There can be no assurance that, from the perspective of an investor or potential investor in the Company’s securities, the Monthly Operating Report is complete. Results set forth in the Monthly Operating Report should not be viewed as indicative of future results.

***Cautionary Statement Regarding Trading in the Company’s Common Stock***

The Company cautions that trading in the Company’s common stock during the pendency of the Chapter 11 Cases is highly speculative and poses substantial risks. Trading prices for the Company’s common stock may bear little or no relationship to the actual recovery, if any, by holders of the Company’s common stock in the Chapter 11 Cases.

As previously disclosed, the Bankruptcy Court has issued an order designed to assist the Debtors in preserving certain net operating losses and other tax attributes by establishing, among other things, notification and hearing procedures (the “Procedures”) relating to proposed transfers of the Company’s common stock and the taking of worthless stock deductions. The Procedures, among other things, restrict transfers involving, and require notice of the holdings of and proposed transactions by any person or “entity” (as defined the applicable U.S. Treasury Regulations) owning or seeking to acquire ownership of 4.5% or more of the Company’s common stock. The Bankruptcy Court order provides that any actions in violation of the Procedures (including the notice requirements) would be null and void ab initio, and (a) the person or entity making such a transfer would be required to take remedial actions specified by the Debtors to appropriately reflect that such transfer of the Company’s common stock is null and void ab initio and (b) the person or entity making such a declaration of worthlessness with respect to the Company’s common stock would be required to file an amended tax return revoking such declaration and any related deduction to reflect that such declaration is void ab initio.

<sup>1</sup> Aside from immaterial petty cash transactions conducted by the stores which are not individually recorded, the Debtors do not make cash disbursements.

<sup>2</sup> Debtors process hundreds of individual transactions per week. In many cases these disbursements relate to confidential pricing agreements with merchandise suppliers or other commercially sensitive information. Due to the voluminous and confidential nature of this information, Debtors have excluded details from this MOR. Individual payment line items are available for review on request by the Office of the US Trustee.

<sup>1</sup> Debtors have repaid the Pre-Petition ABL to the required minimum balance of \$100,000. Furthermore, as of June 30, 2020 the Debtors have no outstanding borrowings against the Post-Petition DIP.

<sup>2</sup> The Debtors did not list any Priority liabilities in their Schedules of Assets and Liabilities. Debtors received authority to make payments on account of Pre-Petition Wages and related employee benefits and certain Pre-Petition Taxes Because the authority granted is sufficient to satisfy all known such liabilities, the Debtors do not believe that they have exposure to Priority Claim Liabilities.

<sup>3</sup> Payments against unsecured liabilities represent payments made under authority granted in the Debtors' Trade Order to certain foreign vendors, shippers and warehousemen and miscellaneous lien claimants.

<sup>4</sup> Debtors' negotiations with its Landlords are on-going and, consequently, certain waivers of pre-petition rent obligations are expected but not yet fully quantified. Debtors will include these reductions as "payments" against corresponding unsecured rents once these amounts are agreed and quantified.
